Amendment to Contract –

Following is an amendment to the contract written for the LCCC Board of Trustees Scholarship originally dated April 6, 2012.

It is the donor's wishes to make the following changes to their current contract:

1. Change the scholarship criteria from "The student shall have or maintain a 3.0 grade point average" to "The student shall maintain a cumulative GPA of 2.5"

LCCC Foundation is now adding the following paragraph to all of our scholarship agreements:

"If future circumstances render the use of this endowment for the purposes set forth herein either impractical or impossible, then the endowment's distributable earnings shall be used to improve the quality of education at Laramie County Community College, keeping in mind the original intent of the Donor. In any such alternative application of distributable earnings, it shall be clearly identified that the funding source is the LCCC Board of Trustees endowment."
