Dear President Schaffer:

We recently held our 75th session of Wyoming Girls State on the Laramie County Community College campus June 11-17, 2017. This is the first time our session has been held at LCCC and thirteen years since we have had a change of location.

I want to take this opportunity to thank you and the staff who assisted us with the session. Arlene Lester and Melissa Gallant were wonderful to work with and went above and beyond to meet our needs and make our stay memorable. Rakhshi Hamid worked diligently with our staff to facilitate three college credits for delegates attending the session (POLS 1009, Introductory Experiential Civics).

The facilities that we had access to, including the Dining Facility and Residence Halls, were top notch and met the needs of our program. We look forward to being on your campus for our 2018 and 2019 sessions.

Thank you again!

For God & Country,

Bobbie Swanlund, Director
