Dear Members of the LCCC Board of Trustees:

What a surprise it was to receive a letter in late October from President Joe Schaffer informing me of your unanimous approval to award Faculty Emeritus status upon me. And "surprise" was indeed the word. As the saying goes, "I didn't see that coming."

The recognition certainly makes all those long nights at the college working with students and all those weekends grading papers seem worthwhile. I was always the stage mother behind the students pushing them to achieve, so turning the spotlight upon me feels a bit awkward. Personally, the designation carries special meaning for me because my father, who would have been 100 this month, also earned emeritus status when he retired from Texas Christian University decades ago.

Once again, I want to express my deepest appreciation for this honor, and I hope to live up to the title.

In sincere appreciation,

Rosalind Schliske
