Cheyenne, WY 82007-3204

Dear Dr. Schaffer:

Congratulations! Laramie County Community College has reached a milestone of serving its community for 50 years! I wanted to let you know how pleased we are to hear of its success. Your work to provide quality education for students in our region is greatly appreciated.

Letters that recognize the hard work and achievements of the people of Wyoming are my favorite ones to write. It is good to know that the remarkable people we represent and work for in Washington are doing so well in life. Wyoming folk really are a special bunch and that is why we expect so much from them. That's also why we're never surprised by the amazing things they do.

You can be very proud that LCCC has served the community of Cheyenne for so long. Your hard work and determined efforts have played a part in its current and continued success. I trust your celebration for this special occasion will be rewarding.

Congratulations again, Dr. Schaffer. Diana joins me in sending our best wishes to you and the faculty and staff of LCCC. God bless.

Sincerely,

A handwritten signature in black ink that reads "Mike Enzi".
