**Re:** Staff Senate Update

---

Dear Board of Trustee Members:

Staff Senate had a goal to work towards determining what would be required to eliminate the PE Wellness fee paid each semester by staff and faculty not taking courses. We have been working with the committee established by Tammy Maas and Dorothy Moen in the Human Resources Department, and much progress has been made since the committee's inception.

We held another round table discussion with the staff and faculty at the end of the Spring In-service, in which it was requested that we work with CET to hold more training, or perhaps as part a Life Enrichment, on Bullet Journaling. One of our officers will be contacting Kari Brown-Herbst for further details and to pass on our request.

We have one upcoming event that we would like to extend an invitation to the Trustees to attend. On Tuesday, March 19<sup>th</sup>, the Staff Senate will be holding our annual Ice Cream Social and Scholarship Fundraiser. Each year we make an effort to raise monies for the Randy Miller/Staff Senate scholarship, and the social is one event we use. The social will begin at 2:30PM and run until 4PM. If any of the Trustees would like to attend, it is a great opportunity to meet with some of the staff members.

Kindest regards,  
Shauna Best
