¹New Students are those students who are enrolled in college for the first time after high school graduation. Past Concurrent Enrollment students are included in this cohort. Due to changes in the definition of "new students," past counts may be underrepresented, thus inflating the comparison rate.

²Transfer Students are those students who are in their first semester at LCCC and have transferred credits from another college or university.

³Continuing Students include students who were enrolled in the immediately preceding semester (not including summer). Concurrently enrolled students are excluded from this category.

⁴Re-Enrolled Students are defined as those students who are returning after not enrolling in the immediately preceding semester (not including summer). This count includes students who enrolled for the previous semester but dropped, withdrew, or cancelled all of their sections.
