Notes:

¹ Annualized enrollment = (summer + fall + spring)/2.

² Headcounts are unduplicated by location. However, since some students take classes at more than one location, total headcounts are duplicated counts.

³ Full-time Equivalent (FTE) enrollment for each semester = (total student credits)/12.

⁴ As of Fall 2013, the total FTE may differ slightly from LCCC's official enrollment report due to a different methodology required by recently implemented reporting software.
