

IP5b_Ludden Library, Screen Shot Citation-Plagiarism Guide, 2018

The screenshot shows a web browser window displaying the 'Welcome to LibGuides!: Tips & Tutorials' page. The browser's address bar shows the URL 'libguides.lcccy.edu/home/tips'. The page features a navigation menu with tabs for 'List of LibGuides by Subject', 'Databases A-Z', 'Tips & Tutorials' (which is active), 'Meet the Librarians', and 'List of All Library Guides'. Below the navigation is a 'Getting Started' section with tabs for 'Welcome!', 'Citations', 'Plagiarism', 'Evaluating Websites', 'Literary Criticisms', 'Scholarly (Peer-Reviewed) Vs. Popular', and 'Databases - Why Use Them?'. The main content area is divided into two columns. The left column contains sections for 'MLA Citation Style' and 'Refworks'. The right column contains sections for 'APA Citation Style' and 'Online Citation Tools'. A yellow 'Ask Us!' button is visible on the right side of the page. The browser's taskbar at the bottom shows several open files, including PDF reports and Word documents.

Getting Started

Welcome! Citations Plagiarism Evaluating Websites Literary Criticisms Scholarly (Peer-Reviewed) Vs. Popular Databases - Why Use Them?

Use the tabs in this box for getting started with your library research!

MLA Citation Style

MLA LibGuide

This guide will explain how to cite information sources using the MLA style. It will also provide many examples of properly cited paper and electronic sources. If you do not find what you need in this guide, the links at the right side of the screen may provide more assistance. The [MLA Handbook for Writers of Research Papers](#) (7th edition), available at Ludden Library, is the best place to look when online guides do not help. Ask at the desk and we will show you where it is located. If you cannot come to the library, contact us and we will help answer your question.

Refworks

RefWorks is an online citation management tool. Use RefWorks to export citations from many of the library databases, such as EBSCOhost and ProQuest, and then let RefWorks create your bibliography to include at the end of your research paper.

APA Citation Style

APA LibGuide

This guide will explain how to cite information sources using the APA style. It will also provide many examples of properly cited paper and electronic sources. If you do not find what you need in this guide, the links at the right side of the screen may provide more assistance. The [Publication Manual of the American Psychological Association](#) (6th edition) is the best place to look when online guides do not help. Ask at the desk and we will show you where it is located. If you cannot come to the library, call us and we will help answer your question.
