

LARAMIE COUNTY COMMUNITY COLLEGE ORIENTATION

Get a great start to your college experience!

Orientation promotes student success by providing students with information and engagement opportunities to facilitate their transition to LCCC. At Orientation, you will meet other students, learn more about LCCC, and begin connecting to campus resources that will aid in your success. Plus, you will have a chance to win prizes and get all your questions answered as you prepare to begin at LCCC!

Join us for an Orientation in either in Cheyenne or Laramie (dates vary, see below) to get Orientation, a campus tour, advising, registration, and more all completed in one day! In-person Orientation sessions are full day events (8:00 a.m.-5:00 p.m. in Cheyenne, 10:00 a.m.-3:00 p.m. in Laramie) that involve you gaining valuable knowledge about LCCC, making connections with other students, faculty, and staff, possibly completing placement testing, and meeting with your advisor and registering for classes, all in one day! They are the most efficient (and fun) way to get started as a Golden Eagle!

If you can't make it to campus for one of these events, you have the option of doing Orientation online. Should you choose to complete online Orientation, you will be responsible for making arrangements for your advising appointment separately, after you have completed Orientation, and will be responsible for making your own arrangements for placement testing as well, if required.

Prior to Signing Up For Orientation

To attend Orientation, you must be fully admitted to LCCC for the upcoming semester. This means that you have applied for admission for the correct term, and LCCC has received and processed your official high school or GED transcript.
