

Become a
GOLDEN EAGLE

Laramie County Community College
Wyoming

Your Checklist

When you apply, make sure to use an email address you frequently check. Your personal Admissions Rep will contact you and help guide you through the process.

Apply

First thing you'll need to do is complete an application online at apply.lccc.wy.edu. Once you've clicked submit, send us your official transcripts if you're a degree seeker. Do this at least two weeks before your start date. **It's just that easy!**

Placement

Show us what you've got and take a placement test at LCCC, or we may be able to place you based on your high school GPA or ACT scores. Check out lccc.wy.edu/placement.

Orientation

We want to **get you familiar with the LCCC life and resources**. Use **myLCCC** (the student portal) to sign up for orientation – lccc.wy.edu/myLCCC. There, you can open the "New User" folder and find orientation sessions available on our campuses in Cheyenne and Laramie, as well as online.

Non-degree seekers can skip this step.

Advising

We're going to help you **map out your future**, no crystal ball required! After you've completed placement and orientation, you'll need to meet with your advisor. They'll make sure you're taking the right classes to meet your educational goals.

Non-degree seekers can skip this step.

Register

You've met with your advisor and you've got your plan – **you're ready!** Log in to **myLCCC**, open Self-Service and register for those classes. When you're done, go ahead and pay right there in your student portal.

IT STARTS **HERE!**
