

Staff Senate Report to Board May 2015

The May Unsung Heroes was Campus Safety. We held two meetings so that we could personally thank as many of the officers as possible. We have chosen the Children's Discovery Center as our June Unsung Heroes. We have not set a date to meet with them, we will choose a date at our June meeting. We will suspend the Unsung Heroes program until fall.

The plans and arrangements for the Staff picnic June 5th are complete. An invitation has been sent out. The plans for the Staff Retreat June 11 are almost complete. We have contracted two speakers Nicole Courtney and Jonathon Carrier will be the first session speakers, and Adam Keizer will be the speaker for the second session. We are waiting on the titles of their presentations. More information will be sent out to staff members in a few days.

The officers of Staff Senate would like to plan a retreat for Staff Senate officers the end of June. This would be an opportunity to decide what direction of Staff Senate in the future. We would like to get information from staff as to what our purpose should be and what the staff expects from the Senate. We would begin with those who attend the Staff Retreat.
