STUDENT SERVICES/UNIVERSITY CENTER

The contractor is continuing foundation work.

The contractor installed a pedestrian walkway on the west side of the construction site from the north arena parking lot to the Blue Arches. Crews will be installing time-lapse cameras.

The \$30 million, 85,000-square-foot building is projected to open its doors in spring 2017. The building will be home to several departments including Admissions, LCCC Bookstore, Student Records, Financial Aid, Counseling & Campus Wellness, Disability Services, Advising and Career Services and University of Wyoming Outreach. It will provide classroom, office and assembly space. The general contractor is FCI Constructors.

FLEXIBLE INDUSTRIAL TECH BUILDING

The contractor is continuing foundation work.

The \$16 million, 46,000-square-foot building is projected to open in fall 2016. The new building will be home to Diesel Technology, Engineering Technology, expanded Welding Fabrication program, Construction Management, Process Technology and will provide room for expansion of other budding programs. The general contractor is FCI Constructors.
