Dear Juan-Antonio,

I am writing with a hearty thank you and well done for the wonderful contributions you made to the February 17, World Languages Colloquium for junior high, senior high, community college, and university faculty. Comments from the end-of-day evaluation confirm a successful and professionally enjoyable day:

Rigor is the key!

Great networking!

We need to do a lot more with vertical curriculum development.

Being progressive and using ACTLF proficiency in all courses.

Preparing them for next steps can be done in a positive, non-threatening manner.

Thanks again, Juan-Antonio. You have been such a valuable collaborator on this transition from high school to college/university work. Know that we'll keep calling on you, too!

Sincerely,

Audrey Kleinsasser, Professor and Director
