Dear Mr. Schaffer,

We greatly appreciate your generosity to The Allin Community Care Fund. My son, Randall Forster, received the scholarship and is attending this fall to earn his Associate Degree. Your generosity was a "win" for all parties involved! Thank you!

President Schaffer,

I am writing to let you know about Brenda Laird being the Key Note Speaker for our Alpha Delta Kappa Regional Convention. She spoke to a group of over 300 teachers about setting up Scholarships/Endowments.

The audience was deeply moved by her compassion and knowledge - they loved her.

You can be very proud of the way she represented

LCCC and your staff.

We were so lucky to have her speak to us and set a fire under Chapters to ^{do} something about setting up Scholarships.

Her words truly came from her heart and the ladies were thrilled with her message.

Sincerely,
Virginia Howard
