¹New Students are those students who are enrolled in college for the first time after high school graduation. Past Concurrent Enrollment students are included in this cohort. Due to changes in the definition of "new students," past counts may be underrepresented, thus inflating the comparison rate. There were no non-degree seeking new students enrolled at this point in time last year.

²Transfer Students are those students who are in their first semester at LCCC and have transferred credits from another college or university.

³Continuing Students include students who were enrolled in the immediately preceding semester (not including summer). Concurrently enrolled students are excluded from this category.

⁴Re-Enrolled Students are defined as those students who are returning after not enrolling in the immediately preceding semester (not including summer).

¹All categories in this table are defined by section number.

²Headcount is unduplicated within categories but duplicated between categories, as students may take classes in multiple locations and/or with multiple delivery methods.

³The total is the sum of all delivery methods for each given location. So, the total contains duplicated counts.

⁴FTE is based on current Student Registered Credits and is unduplicated.
