THE Laramie County Community College Foundation

reCognizing giFts and Commitments From
January 1, 2014 – December 31, 2014

THE Honor Roll

Laramie County Community College Foundation

Recognizing Gifts and Commitments from
January 1, 2014 – December 31, 2014
Dear Friends and Donors,

Transforming our students’ lives through the power of inspired learning is the mission statement that continues to guide our growth and advancement at Laramie County Community College.

During the past year, our goal has been to lead LCCC with a strong team effort by the Foundation and College. The combined effort has led the college through a $25 million bond election success, a record fundraising year and a strong year partnering with the community, which included workforce development, cultural events, SEEK programming, and growth in student numbers.

The new buildings will begin to rise on campus this year, and LCCC students will benefit from an advanced educational opportunity in both facilities. The buildings offer new technology, a one-stop admission process, expanded learning areas and a joint effort with the University of Wyoming to help our student’s progress while staying local.

The accomplishments we have had are only made possible by all of you who believed in LCCC’s mission as well. Advancement on campus could not be possible without the kindness and generosity of our many friends. Inside the newest addition of the Honor Roll, you will see the outpouring of generosity from the many people it took to make such a large impact throughout the halls of LCCC.

On behalf of the LCCC Foundation Board of Directors and the LCCC Board of Trustees, we send our sincere appreciation to all of you for helping us become a stronger college, set to help many generations to become inspired learners. Blessings over the last year have come in many forms at LCCC but our biggest is the many friends who believe in our future – we thank you.

Sincerely,

Joe Schaffer, President
Laramie County Community College

George McIlvaine, President
LCCC Foundation Board of Directors
Building Forward

Industrial Flexible Technology Building

Student Services & University Center

Estimated Completion Date: Fall 2016
Honor Roll of Donors

The Laramie County Community College Foundation’s Honor Roll of Donors recognizes individuals, corporations, foundations and organizations whose philanthropic contributions exemplify outstanding commitment to improving the quality of education for our students and community. This book honors our contributors.

Lifetime Heritage Society

Reunion Dinner

Pictured here is the first reunion gathering of friends who have received the LCCC Foundation’s Lifetime Heritage Award. The evening was spent sharing stories about LCCC and looking forward to what the future holds for the college.

Mary and George McIlvaine
John and Dana Metzke
Marietta Dinneen
Bob Prentice and Sandra Surbrugg
Carol and Earl Kabeiseman
Barbara and Andy Andrikopoulos

Our hearts were saddened that shortly after this beautiful evening, our friend Andy passed away. He will be missed in the halls of LCCC by many.
The Lifetime Heritage Award is now presented every other year to a person or family in recognition of their support of Laramie County Community College, and it also provides an opportunity to acknowledge and recognize all they do for our community. LCCC is not an island. We thrive when the community thrives, or rather we soar when the community soars, and it is to everyone’s benefit when individuals choose to use their time, talent and treasure to create a better world by creating a better hometown.

That is what the Lifetime Heritage Award is all about – thanking those truly inspiring people who see the bigger picture and recognize the impact of each person doing their part to be involved and engaged in making our community better and stronger for the next generation.

Since 1996, the Foundation has honored outstanding contributors for their dedication and commitment to LCCC and our students. Although 2002 was the first year the award was titled the Lifetime Heritage Award, we consider all our past honorees to be Lifetime Heritage Award recipients and want to remember these friends’ commitments to the college.

Retired welding instructor Jim Trudeau speaks with instructor Sam Graham and student.
June and I established a charitable gift annuity to help build a future at LCCC. While employed at LCCC, my focus on helping students learn a trade settled in my heart. June helped me find a way to give so students could be helped financially while in school, way into the future. June would be proud of what we have been able to do for the students.

—Jim Trudeau

We recognize the necessity of LCCC as an essential contributor to Cheyenne’s economy, as well as an invaluable contributor to the education of so many young people. We are thankful as “senior” people also, to be able to take advantage of LCCC’s rich and varied opportunities for learning and participation.

—Rick and Ilby Davis

Going to college changes our self-perception. It makes us feel proud of ourselves for accomplishing a challenging and sometimes daunting mission. I hope my gift helps more people feel that surge of pride in a great accomplishment.

There are typically three barriers to success in college: not being academically prepared, not being socially prepared, and not having the money. I’m not sure what I can do to help remove those first two, but with my gift, I can remove the financial barrier for a few.

—Mona Pearl

Giving back to the community that shelters and supports me is the right thing to do. Supporting higher education is a personal passion because I was a scholarship student and I can never say thank you enough to those donors. This is my way of repaying their generosity.

—Mona Pearl
Honor a Loved One

Paul and Colin Kaiser Memorial Scholarship
Our beloved son Paul and grandson Colin were lost in a tragic accident in 2015. Paul was an alumni of LCCC and Colin spent many hours with his Grandpa attending events all over campus including SEEK. It was with broken hearts that the Paul and Colin Kaiser Memorial Scholarship was established but a deep hope and prayer that a student will be financially helped as two angels watch over them.

—John and Deb Kaiser

Kathy Boheler Memorial Scholarship
As a way to honor a lost coworker and friend, the credit union established a scholarship with the LCCC Foundation. I have been amazed by the continued support of the scholarship by both our employees and members. The annual fundraiser gives all of us the opportunity to remember why Kathy made such a difference in our lives and allows us to make a difference in the lives of others.

—James O. Yates, President, First Education Federal Credit Union

Jean Cotton DVM Memorial Scholarship
I chose to start this scholarship in memory of my Mom – Jean Cotton – so as to honor and remember her for all she did for her family as well as our community. I hope that in so doing, we may further improve the lives of others while honoring her strength, love, wisdom and spirit.

—Katy Cotton

Supporting Our Athletes

The Golden Eagle Club is an organization of friends and alumni established to support and promote the college in its intercollegiate and club sports activities. The primary purpose of the club is to provide scholarship assistance and other financial aid to the athletic program. We appreciate our 2014 Golden Eagle Sponsors.

Supporting Our Students through Program Funds

When you support Laramie County Community College, not only do you help to enhance the quality of an LCCC education and access for students who need financial aid, but also you support programs that provide students with opportunities to serve other people and communities. This service benefits both the people who receive help and the students themselves, who broaden their horizons, perspectives and senses of involvement and compassion.

Supporting Our Community

Through the Cultural and Community Enrichment Series, LCCC provides unique learning opportunities beyond standard classroom instruction for students and the community at large. This series brings nationally and internationally recognized speakers and artists to Cheyenne for lectures, workshops and performances. The past year has brought an exciting array of speakers and artists to our community. We thank the supporters of the Cultural Series for their generosity and commitment to community spirit.

Reuniting friends from the past . . .
Anna Marie Hales and David Eddington

Community Partnering
Carol Rookstool and Jawnie Sanders
Greek Festival 2015

Retires, employees and friends
Carol Hoglund, Anne Murray, Dick Krahenbuhl and Pam Babcock
Giving is a personal choice and should be reflective of your values. At Laramie County Community College, we recognize and appreciate our contributors’ priorities and have developed the following giving options to help you direct your gifts in a meaningful way. These giving options are available for all gifts, annual or endowed. While these options represent the current funding priorities, we gladly welcome gift ideas that may be more specific or not mentioned.

### Unconditional Fund
Gifts to the Unconditional Fund enable the Foundation to respond to ever-changing priorities and campus needs. Such a fund allows the Foundation Board the greatest level of flexibility in allocating resources to innovative programs, faculty and student projects, needed scholarships, campus improvements, and general operations. As you review your giving options, we ask that you consider designating a portion of your gift to the Unconditional Fund to ensure that college needs and priorities can always be met.

### Scholarships
Scholarships may be funded annually or through an endowed scholarship. An annual scholarship may be established with a gift of $250 or more. An endowed scholarship may be established with a gift of $5,000 or more. Each year the interest earned on the endowed fund is awarded as a scholarship. An endowed scholarship may be funded in one payment or through several installments.

### Cultural and Community Enrichment Series
LCCC established the Cultural and Community Enrichment Series to bring nationally recognized artists and speakers to campus for the benefit of the entire community. The program sponsors twelve active series: the Esther and John Clay Summer Watercolor Workshop, the Gerald and Jessie Chambers Speakers Series, the Union Pacific Business & Industry Series, the Bank of the West Music Series, the First Interstate Bank/Progress & Prosperity Community Conversation, the Sharon & Dale Keizer Empowerment Speakers Series, Ed and Caren Murray Art Series, the ANB Performing Art Series, the Dinneen Writers Series, Literary Connection and the Cheyenne Guitar Society Music Series.

### Instructional Divisions and Programs
One of the most valuable ways you can support faculty and staff is to fund a specific program or instructional area. You may contribute to or establish a fund for an instructional area, career field, student service or athletic program.

### Fund for Faculty and Professional Excellence
Resources available through this fund will support faculty and professional training, visiting professors and endowed professorships. Continuous education for faculty and staff ensures the highest quality education for students. Academic advances occur so quickly in today’s environment, it is crucial to enable faculty sufficient opportunity to remain on the cutting edge of their fields to teach students the skills they will need in the workplace.

### Fund for Technology and Teaching Tools
The Technology and Teaching Tools fund allows LCCC students to learn using leading computer technology, distance learning and state-of-the-art equipment. Such a fund provides equipment like SmartBoards for classrooms, resources for Internet classes, a sonography machine for the radiography program, and special equipment for students who are physically challenged.

### Fund for Campus Improvement
The physical environment of the campus is constantly required to change and adjust to new student demands. More students are interested in on-campus housing, student athletics and various gathering spaces. Campus beautification is an important part of maintaining a warm and welcoming environment for all our students and community visitors.

### Giving Monthly Online
Many donors have selected to do a once a month on-line gift to the Foundation. Donations to the Foundation or pledge payments can be made directly on-line by scheduling credit or debit card payments using our secured site at lccc.wy.edu/about/foundation and click on – make a gift to Laramie County Community College. Choose the recurring gift link.

To make a monthly ACH (automated clearing house) payment through your bank or credit union, please contact Brenda Laird at blaird@lcccfoundation.edu or call 778.1372.
Gifts to the Foundation are the essence of what we do for the purpose of making more scholarships available; providing outstanding classroom experiences; bringing more guest artists and speakers to campus; providing cutting-edge technology; and creating unique opportunities for LCCC students and the broader community. Your gifts have created all the opportunities outlined on these pages.

The Foundation received $1,957,017.80 in gifts in 2014 from individuals, corporations, civic groups and private foundations.
Retired Together

Walking out the door – Retiring!

Leaving behind good friends and fond memories.
What I will miss is the light going on in a student’s eyes.
I have left a piece of myself behind in hopes that the future is better because I was there.
I am currently studying at the University of Wyoming. I will be graduating this May with a Bachelors of Social Work. I have also applied for the UW Masters of Social Work Program. I look forward to starting this new journey towards Graduate level education. Prior to starting at LCCC, I was unaware of all the possibilities my future held. I am so thankful to LCCC for being my starting place. LCCC helped me see that it wasn’t too late to get my education, have a career and provide a better life for my family.

—Raven Coward-Long, UW BSW Student, Speaker at 2012 Scholarship Luncheon

As a third year pharmacy student at the Medical University of South Carolina, I’m excited to study natural medicines in the Amazon jungle this summer and stay busy preparing for post-graduate residency training as a hospital pharmacist.

—Destine Hoover, Speaker at 2011 Scholarship Luncheon

I am currently working on my BSN at UW. I am excited to be starting employment at CRMC on the surgery floor. I have a true appreciation for the gifts of scholarships that have allowed me to continue my education.

—Ray Rushing, Speaker at 2014 Scholarship Luncheon
