**D.** The proposer is hereby notified that it must comply fully with all requirements of the Equal Employment Opportunity Commission (EEOC) and the Americans with Disability Act (ADA) in the same manner as is expected from LCCC. If the proposer or its employees or subcontractors are found in violation of these requirements, the future agreement may be terminated. The proposer shall be responsible for all such non-compliant action and shall defend, hold harmless and indemnify LCCC.

**E. Award and Purchase**

a. Minority-owned businesses will be afforded full opportunity to propose and to contract with LCCC and will not be subject to discrimination on the grounds of race, creed, color, national origin, sex or handicap in consideration for an award.

b. A signed contract agreement, as furnished to the successful proposer, will create a binding contract by both parties.

c. LCCC reserves the right to waive irregularities and informalities and to accept any proposal and to reject any and all proposals and to disapprove of any and all subcontractors as may be in the best interest of LCCC. Time and date requirements for proposal opening and mandatory pre-proposal meeting requirement will not be waived.

## **F. Scope of Services**

- a. LCCC is seeking proposals from qualified companies capable of professional moving six (6) offices, welding equipment and engineering technology equipment. LCCC is currently building a new Flex-Tech building, which will be located near the East entrance of the college, and move in is expected during the first week of August, 2016.
- b. Important dates:
  - i. February 5, 2016 – release RFP
  - ii. February 19, 2016 – mandatory pre-proposal meeting
  - iii. March 10, 2016 – proposals due
  - iv. Week of August 1 – moving services to take place
- c. Office moves will entail an office chair and boxes. LCCC does not intend to move any other furniture from offices to the new Flex-Tech building. LCCC will move desktop computers and monitors.
- d. The successful proposer will be required to provide all manpower, vehicles, and equipment required for an efficient and professional move. The moves will include the pick-up and delivery of chairs, boxes, pallets (shall be wrapped with shrink wrap when appropriate, by LCCC employees), welding equipment, and engineering technology equipment from the Auto Diesel (AD) building and Career & Technical (CT) building to the new Flex-Tech building. Companies submitting proposals certify that they will provide sufficient vehicles, equipment and experienced manpower to complete the move according to LCCC's schedule.
  - i. LCCC cannot allow any companies to utilize any of our equipment, such as forklifts, dollies or vehicles for this project.

## **G. Specific Requirements**

- a. Equipment: The contractor shall be responsible for providing all necessary and customary forklifts, trucks, pallet jacks, dollies, and other equipment appropriate to the size of the job and necessary to fulfill the contract. In no event shall LCCC be responsible for any damages to any of the contractor's equipment either lost, damaged, destroyed, or stolen.
- b. Padding, Dollies, etc.: It shall be the contractor's responsibility to ensure that hallways and walls are adequately padded so as to prevent scratching, dents, or damage. The dollies shall be free of grease, oil, etc. to prevent stains on carpeting and flooring, including any apertures that may scratch or mar flooring and walls.
- c. Offices: LCCC employees will be responsible for boxing up their office contents. LCCC will supply boxes and tape and have boxes ready and marked. It will be

the responsibility of the contractor to move these boxes to their appropriate destination where the LCCC employee will unpack them.

- d. Desktop computers, monitors, phones, printers, etc.: LCCC will be responsible for disconnecting and moving all desktop computers, monitors and phones. LCCC will be responsible for disconnecting printers, but it will be the responsibility of the contractor to move and protect printers.
- e. Cleanup: The contractor will be responsible for cleanup of any and all materials directly used by the contractor during the moving process. This includes, but not limited to contractor installed wall and floor protection, padding and wrap. This does not include boxes or packing materials used by any LCCC for employee possessions.
- f. Safety Precautions: The contractor shall be responsible for any parking, traffic and pedestrian control and to determine the most efficient travel route between sites. Proper safety precautions shall be used at all times and shall remain the contractor's responsibility and shall be taken to avoid damage in handling of LCCC property.
- g. Damage to Property: The contractor shall preserve from damage all property along the line of work or which is in the vicinity of or is in any way affected by the work. This applies to, but not limited to, public and private property, vehicles, utilities, trees, shrubs, signs, grounds including sprinkler systems, etc. Whatever such property is damaged due to the activities of the contractor, it shall be immediately restored to a condition equal to or better to the existing before such damage was done by the contractor and at its own expense.
- h. Work Deficiencies: If at any time before the commencement or during the progress of the work, the personnel, equipment or supervision of the contractor appear to LCCC's designated representative to be insufficient, inefficient, or inappropriate to secure the quality of work required or the proper rate of progress, LCCC's designated representative may order the contractor to correct such deficiencies in a punctual manner to the satisfaction of LCCC. Failure of the LCCC's designated representative to require such correction shall not relieve the contractor the obligation to provide the quality and quantity of work required within the time required by the contract.
- i. On-Site Working Lead Person: The contractor shall, at all times, provide a working lead person who shall be responsible to accept and execute such instructions as are conveyed by LCCC's designated representative during the contract period. This person shall have the responsibility to coordinate the move with the other workers. Instructions conveyed verbally or in writing shall be binding upon the contractor.

- j. Apparel: The contractor's employees engaged in the work shall wear company uniforms or photo identification name badges readily identifiable to all LCCC employees and the public.

## **H. Other Requirements**

- a. Personnel: All work must be performed by skilled, experienced personnel, directly employed, supervised and trained to work with materials and equipment of the trade in a safe workmanlike manner. All complaints shall be handled through LCCC's designated representative. At the request of LCCC, the contractor shall replace any incompetent, unfaithful, abusive, or disorderly person in its employ. LCCC and the contractor shall each be promptly notified by the other of any complaints received.
- b. Coordination of Work: LCCC will call the contractor to setup and coordinate the moving services before the service is required. The vendor shall not commence any work until he/she has notified the LCCC's designated representative of his/her arrival. The contractor shall conduct a walk-through with LCCC's designated representative, prior to the actual move, to determine the number of personnel and equipment required to accomplish an efficient and professional move within the specified completion time.
- c. Permits: The contractor shall be responsible for securing any applicable permits and for the payment of all applicable taxes.
- d. Invoice/Payment: An invoice shall be submitted to the LCCC, Director of Contracting and Procurement showing the area moved, number of personnel required and number of hours or portion of an hour charged. Hourly charges are to begin with the movers arrive at the jobsite and report to the LCCC designated representative. Contractor will not be allowed travel time for the move between buildings and to the Flex-Tech building. LCCC shall not be responsible for payment to contractor for any briefings or meetings held between LCCC and the contractor, as these meetings are to the mutual benefit of both parties.

## **I. Insurance Requirements**

- a. Contractor and each of its subcontractors hereunder, if any, shall at its own expense, obtain insurance as provided below from reliable insurance companies acceptable to Laramie County Community College (LCCC) and authorized to do business in the State of Wyoming, in which the Work is to be performed, with limits as specified in U.S. currency or equivalent.
