PLACEMENT TESTING

You may meet LCCC prerequisite requirements for course placement through college transcripts, ACT scores or LCCC placement tests. If you don't have one of these or would like to improve your placement, you make take or retake the LCCC placement tests. Placement scores are valid for two years.

The ACC Test and Exam Center administers the McCann College Success test for Reading and Writing placement and the ALEKS test for Math placement. There is no fee for LCCC students taking the tests for the first time.

To help you prepare for the placement exams, the following additional information is needed prior to testing:

- **You must obtain an LCCC student ID number from Student Services before taking the exam. It helps to bring your student ID number with you to the exam**
- You must bring official photo identification such as a school ID or driver's license.
- Although there is no time limit, you should allow at least one and one-half to two hours to take each of the tests (English placement & Math placement). Testing is not allowed to continue beyond testing center hours. Be sure to leave yourself enough time.
- Scratch paper, pencils and a calculator are provided. The math placement exam features a digital calculator to use in-test.
- **Scores are good for two years only.**
- Retesting is available. While there is no fee for initial testing, or for the ALEKS math placement tests, English placement retests cost \$5 each.

WELCOME TO OUR TEST CENTER!

HIGH SCHOOL EQUIVALENCY TEST – HiSET

We are pleased to have you here. We wish you success. In order to make your testing experience as pleasant as possible, please make sure you meet the requirements listed below. If you do not meet each requirement, we cannot test you. The Educational Testing Service (ETS) Office of Testing Integrity (OTI) for HiSET, Wyoming ETS Administrator, and Washington, D.
