Program Director	Will accept Observation hours and references prior to February 1st.	Will accept applications. Will send out updates to applicants as applications are received and reviewed. This process can take up to two to three days. An email will be sent to the applicant once their application is complete.	An email will be sent to the applicant once their application is complete.	Will begin to reach out to applicants that are still missing forms to complete their application	Application closes. All postmarked applications on 2/28 will be accepted. Any applications postmarked after 2/28 will not be accepted. The programs give references and observation hours a two day grace period for mail services, but must be completed prior to March 1st.	Program Director and Clinical Coordinator will finalize all applications. A letter will be mailed out to applicants.	If you receive an interview. Deadline to accept interview timeslot. There will be 20-22 interviews	DMS Program Interviews	Letters will be sent out
Applicant	Perform observation hours after May 1st. Referneces can be sent in prior to February 1st.	Send in application through end of month. Email updates will be sent out as applications are received and reviewed. Contacting the Program Director frequently can slow the review process down.	If you have turned in your application and have not received an update please contact the program director. Remember it takes two-three days to review an application after it has been received.					Applicants will be assigned an interview time and date.
