

Office 365

To log in:

1. Click on the [link](#), which will open in your browser.
2. When it opens, you will see a login screen

3. Type in your user name and password. **NOTE:** If you click the cancel button, the dialog box will disappear and you will see a "401 error" on the page.
4. After you type in your credentials, you will be able to access your email.
