## **Things to Know (cont.):**

Please be advised that by submitting a proposal it does not guarantee the course will be added to our schedule. All proposals will be reviewed by our committee before they are selected. Thank you for your interest!

There are very few rooms with tile floors and/or sinks, and so those will be very difficult to reserve, although you may be “near” a sink.

Most rooms are carpeted. Please keep this in mind when proposing and conducting a class. If students will be doing messy tasks on tables, tables must be covered with plastic. If there are chairs with fabric and students are doing messy tasks, they must also be covered. If students are using paint it must be water-based only and the floors must be covered with plastic. We will provide the plastic; please inform us on the proposal form so that we can get that to you on the first day.

**\*If you need copies made, print jobs are due one week before the SEEK week you are teaching.**

\*If you have AV needs, we will need to set up a training appointment **prior** to the SEEK week. We will not be able to offer training on the first day of SEEK.

**\*In order to be considered to teach, please attach a resume with this proposal form.**

**All teachers must provide proof of Title IX training offered through their school district. Otherwise they will need to participate in an LCCC Title IX training prior to SEEK week.**

**INSTRUCTOR PAYMENT:** Payment is \$525 for each week-long class (\$525 for the morning class and \$525 for the afternoon class). You will have a supply budget of \$100 for each class. In order to process your payment, you must have an **employment application, an I-9 and a W4 form** on file in the Human Resources Office **by April 17, 2015, no exceptions.** You can contact Mindy Layson in the Human Resources Office at 778.1289 or [mlyayson@lccc.wy.edu](mailto:mlyayson@lccc.wy.edu)

**Reminder: THE DEADLINE TO HAVE PROPOSALS  
BACK TO OUR OFFICE IS**
