STATEMENT OF UNDERSTANDING CONCERNING LICENSURE

The following questions are asked on the State of Wyoming application for licensure as an LPN/RN; therefore, it is for your information and written answers are not required.

1. Has any disciplinary action been taken or is pending (i.e. open investigation) against you from a LICENSING AUTHORITY?
2. Have you ever been investigated or charged with ABUSE, NEGLECT OR MISAPPROPRIATION OF PROPERTY?
3. Has your application for examination or licensure ever been DENIED BY A LICENSING AUTHORITY?
4. Do you have a physical or mental disability which renders you unable to perform nursing services or duties with reasonable skill and safety and which may endanger the health and safety of persons under your care?
5. Are you now or have you in the past five (5) years been addicted to any controlled substance, a regular user of any controlled substance with or without a prescription, or habitually intemperate in the use of intoxicating liquor?
6. Have you been terminated or permitted to resign in lieu of termination from a nursing or other health care position because of your use of alcohol or use of any controlled substance, habit forming drug, prescription medication, or drugs having similar effects?
7. Have you ever been arrested, convicted, pled guilty to, pled nolo contendere to, received a deferment, or have charges pending against you for any crime including felonies, misdemeanors, municipal ordinances, and/or any military code of justice violations, including driving under the influence of any intoxicating substance? Do not include nonmoving traffic violations or moving violations which did not involve alcohol or substance impairment

If you answer 'yes' to any of the above, refer to www.lccc.wy.edu/programs/nursing, select "Apply to the Program" and Background check information (pdf). LCCC will provide education for those who meet our program requirements and have an acceptable background check/drug screens, but the Wyoming State Board of Nursing's role is to protect the public and it can deny licensure regardless of our program's background check/drug screens.

Clinical agencies may require drug screening, abuse clearances and/or criminal background checks prior to allowing students into a clinical setting. Students are advised that the inability to gain clinical educational experiences can result in the inability to meet program objectives and outcomes. The circumstances may prevent progression through the program and ultimately result in dismissal from the program.

I have read and understand the above statement regarding nursing licensure in Wyoming
