

<b>Student Activities and Organizations</b>	Policy Number	3.11
	Effective Date	July 12, 2011

## **1.0 POLICY & PURPOSE**

The Board of Trustees believes an essential component of a student's journey is grounded in the connections and experiences created through an active student community. Student organizations, and related activities, provide social, cultural, educational, recreational and governance growth opportunities for students. Therefore, the Board expects the College to facilitate the development of purposeful and well-designed student organizations and activities.
