

Veterans' Educational Benefit Certification	Policy Number	3.9
	Effective Date	August 2, 2011

1.0 PURPOSE

The Board of Trustees recognizes the sacrifice that members of the United States Military give in service to their Country. The Board expects the College to have mechanisms in place to ensure military veterans and their families who qualify will have access to higher education. Therefore, the Board expects the College to adhere to federal and state law concerning veterans' educational benefits and assures compliance and correct administration in accordance with published regulations and guidelines.
