16 and 17 Year Old: Age Waiver Application for High School Equivalency (HSEC) Testing

Instructions:

Requirements for Credential Testing:
The minimum HSEC testing age in Wyoming is 18 years old. You may not test if you are currently enrolled in school or have received an accredited high school diploma. If you are 16 or 17 you may request an age waiver for testing. To be considered, you will spend a minimum of 12 hours working with an approved Adult Education (AE) center preparing to submit your Age Waiver Application including verification that you are ready to test. During the 12 hours, you will be required to take at least one TABE test, complete required paperwork, and take an official practice test for each section of the High School Equivalency Examination. All applications must be approved by the state office prior to testing. Applicants for virtual testing must earn a passing score on all official practice tests in order to receive approval on the age waiver application.

Age Requirement: You are requesting special permission to participate in HSEC testing. Your application will only be considered if you meet at least one of the following criteria:
1. The school district withdrawal verification is signed by the high school principal and/or designated high school counselor stating they are in agreement that the HSEC program is your best option and they describe all other options attempted to keep you enrolled in public education explored with you and your parent or legal guardian,
2. If you are home schooled,
3. If you are court ordered, or
4. If you are entering the United States armed forces. (17 years old only)

The following must be included (if required) for your Age Waiver Application to be complete:
1. If court ordered, a copy of the docket clearly showing the HSEC order and a required date of completion (if so ordered), or
2. For 17-year-old candidates entering the United States armed forces, a letter on the service branch letterhead stating when you are entering the military.

Programs submitting the application must verify that the applicant:
1. has at least one valid TABE score indicating readiness to test
2. has at a minimum, 12 hours of instruction
3. is registered on the LACES database as an AE student
4. has a ‘Well Prepared’ OPT score entered in LACES

The following must be submitted as a packet for the Age Waiver Application to be considered.
• Demographics. Must include you and your parent or legal guardian’s signature. The application will not be considered and will be returned for failure to provide all required signatures.
• Pretest Verification. Submit this form to the local Adult Education center for completion.
• School District Withdrawal Verification. Submit this form to the local high school where you live. If home schooled, submit the form to your local school district office or the high school you would attend if enrolled in public school.

No student will be granted an exception from completing an age waiver. If you do not have the required documentation for the Age Waiver Application, you will not be granted an age waiver and will not be allowed to test.

Once a complete Age Waiver Application has been submitted it will be processed by the HSEC program in 2 business days.
