  - a. Kari Brown-Herbst
    - i. Here to hear SGAs ideas of COLS and student's concerns
      1. SGA concerns:
        - a. Students taking class after first semester, so they feel no education towards it
          - i. Responses:
            1. You can 'test out' the option to not have to take the class
            2. Exemptions Criteria Credits-enough post high school college credits to become exempt
        - b. Students taking the study skills course towards the beginning of the class to gain that knowledge to us throughout the year
          1. The teachers are now allowed to rearrange the class to benefit the class the best
        - c. How many Community Colleges in Wyoming have a similar student start class?
          1. Kari will get back to us with a number
        - d. Would the survey help if we asked what the students would suggest to make it more informal for them to?

1. Yes, that question has not come up and would be very beneficial to see students' ideas for them
    - e. How many credit hours is COLS?
      1. Three credit hours
    - f. Non-traditional students that have been to college before, are they able to be exempt?
      1. Yes, there is an exemption set up for these students
      - ii. Kari will get back to us with some more questions for the survey SGA is putting together for the COLS class to the students
- VIII. Advisor Report
  - a. CPR class November 18<sup>th</sup>, need to be certified
    - i. Let Danielle know by Tuesday the 15<sup>th</sup>
