LARAMIE COUNTY COMMUNITY COLLEGE

Student Government Association

Minutes: Sept 5, 2024

I. Call to order at 4:09pm

II. Roll Call

a. All present except VP Vesper Clinton and Senator Miranda Unwin

III. Public Input

a. Kyle Jacobs, representing International Students Club

They have concerns about the new logos:

i. Every group assigns symbols for unifying purposes and marketing. Removing unique logos removes identifying features

ii. Non-LCCC groups get own logos, but not others

iii. Clubs are *for* students, instead of removing unique logos, find a compromise instead.

VP Wehde will mention this to Dr. Stutz and follow-up with SGA.

b. Amber (last name), representing her daughter

She is running for Miss Teen USA and a team lead for the epilepsy foundation. She'd like SGA's help with raising awareness and fundraising for a trip to DC (where she will advocate for more funding for more awareness).

Pres Lopez asked SGA senators to attend the epilepsy walk on 9/21/24 and suggested looking for incentives to get people involved. Several senators expressed interest in supporting this cause, and it seems like a good action item for the community committee.

VP Wehde moved to do an event in November in conjunction with National Epilepsy Awareness month. Treasurer Kercher 2nd.

During discussion, Ex Officio Brunet suggested doing it on kindness day and Senator Krupp suggested adding a fundraising goal.

The motion passed unanimously.

Treasurer Kercher then moved to assign the event to the community committee. Secretary Miskimon 2nd. Approved unanimously.

Advisor Garhart mentioned that the funds may need to come from contingency fund, as we will have more senators and that will use most of our budget.
b. New Ask A Senator sign?
Because we have a new SGA logo, should we print a new sign for the desk? Should we also print one on foam board for the Laramie Campus (to put on their easel and move to the desk and/or events)
