

Commencement 2026

**The 55th
COMMENCEMENT**

OF

LARAMIE COUNTY COMMUNITY COLLEGE

May sixteenth, two thousand twenty-six

8:30 a.m. - School of Health Sciences & Wellness

11 a.m. - School of Arts & Sciences

1:30 p.m. - School of Business, Agriculture
& Technical Studies

Blue Federal Credit Union Recreation & Athletics Complex
Cheyenne, Wyoming

**LARAMIE COUNTY
COMMUNITY COLLEGE**

Cheyenne | Laramie | Online

As we honor our graduates' achievements, we respectfully request your cooperation. Please refrain from casual conversation during the ceremony and turn your cellular phones to the silent mode. Please remain seated and keep the aisles clear and safe during the processions and throughout the ceremony as requested by the ushers. Thank you.

Graduation photography provided by The Grad Team. Graduates will be contacted after the ceremony with information on purchasing stage photos.

CAPS, GOWNS AND HOODS

The custom of wearing academic gowns and hoods can be traced back to the Middle Ages to both the dress of the clergy and university scholars – frequently the same people. In those times, and for hundreds of years thereafter, the heavy gowns and hoods were worn daily and served a practical purpose; they protected scholars, cloistered in stone buildings, from the severe cold of European winters.

Today, only a few European and American universities require students and faculty to wear such formal attire, except at important academic ceremonies such as commencement exercises.

In 1894, American colleges, following Col. John James McCook of Princeton, founded the Intercollegiate Bureau of Academic Costume, which is located today in Albany, New York. Since that time, this organization has maintained and updated the original code that provided a standardization of color and design indicating the rank and authority of those in the educational world. With a few exceptions, faculty robes are black. The bachelor's robe is worn closed in front; it has long, pointed sleeves. The master's robe may be worn open or closed; its long sleeves are sewn closed with a slit near the elbow to free the hand and the forearm. The doctorate's gown is also worn open or closed. Additionally, it has velvet panels that run down the front and three horizontal velvet bars on each sleeve.

The original woolen gowns have given way to modern, light, synthetic fabrics because most graduations occur during warm weather. The square Oxford cap is worn for most degrees, with a black tassel (worn on the left side) for bachelors and masters and gold for doctorates. Some colleges use a smaller, square, soft velvet cap for added distinction.

The hoods are most symbolic. For a degree in the arts, the border is white; for the sciences, the border is yellow. The lining of the hood is silk and is the color of the institution conferring the degree.

Why do we wear caps, gowns and hoods today at Laramie County Community College? They draw together all of the unique individuals at our institution and all the separate educational disciplines, and for a brief, solemn moment we become one in a public representation of the unity of our college life. Yet we preserve our individuality through the different colors of our hoods – colors that indicate the kind of degree we have earned and the institution that awarded us our degree.

COLOR KEY FOR ACADEMIC HOODS

Agriculture, Maize

Architecture, Blue Violet

Arts, Letters, Humanities, White

Commerce, Accountancy, Business, Drab

Dentistry, Lilac

Economics, Copper

Education, Light Blue

Engineering, Orange

Fine Arts, Brown

Forestry, Russet

Home Economics, Maroon

Journalism, Communication, Crimson

Law, Purple

Library Science, Lemon

Medicine, Hospital Administration, Green

Music, Pink

Nursing, Apricot

Oratory (Speech), Silver Gray

Pharmacy, Olive Green

Philosophy, Dark Blue

Physical Education, Sage Green

Public Administration, Including Foreign Service, Peacock Blue

Public Health, Salmon Pink

Science, Physics, Golden Yellow

Social Work, Citron

Theology, Scarlet

Veterinary Science, Gray

THE MACE

The mace, a great and splendid staff, is actually a club; it is a symbolic weapon. Medieval universities would not defend themselves with the sword. It was not considered appropriate for gentle scholars to draw blood, but they could defend, using a cudgel – and they did. The mace has come to stand as a symbol for two critical matters. First, it stands for the freedom to seek the truth and to teach it. It also stands for the authority of the college. This authority is best described by two traditional Latin terms: *magisterium* and *auctoritas*. Under the first term, *magisterium*, is included control of equipment, building and grounds, as well as the behavior of members and visitors – ensuring order and liberty. Under the second term, *auctoritas*, is included a defense of the liberty to do research, to study, to publish and to learn. The mace makes the statement that Laramie County Community College must protect and foster these educational values and ideals.

Efforts to create the mace for LCCC were initiated in 1993 by the Associated Student Government in cooperation with Dr. Charles H. Bohlen, LCCC's sixth president. Funding for the mace was made possible by Dr. Bohlen and the Student Fee Allocation Committee. The late Barry D. Pendley was commissioned to design and create the mace for the college. A golden eagle rests on top of a silver-plated metal sphere, which is surrounded by a gold metal band with the college's initials pierced through it. The mace is attached to a slightly tapered oak staff. The oak stand that holds the mace was designed and created by the late Jim Albertson. The mace was first used at commencement in May 1994 and continues to be an important college tradition.

The most senior faculty member carries the mace at the beginning and end of the commencement ceremony. Dave Zwonitzer began his service to Laramie County Community College in 1978.

DESCRIPTION OF DEGREES AND CERTIFICATES AWARDED

Bachelor of Applied Science (BAS)

This degree is for students seeking to further their advancement within an occupational area or career field through additional study. The program is primarily intended for students who have completed an Associate of Applied Science degree and are working in an occupational area or career field, but not limited to such.

Associate of Arts Degree (AA) and Associate of Science Degree (AS)

These degrees are designed to prepare students for transfer to a four-year college or university.

Associate of Applied Science Degree (AAS)

This degree is designed to prepare the student for immediate employment in a skilled or paraprofessional occupation or to upgrade and stabilize current employment.

Associate Degree in Nursing (ADN)

The degree is designed to prepare the nursing student to enter the workplace upon degree completion.

Credit Diploma (CD) and Certificate of Completion (CERT)

The certificate is designed for occupational programs but may lead to an associate degree. The programs vary in length from one semester to one academic year and prepare the student for immediate entry-level employment.

DESCRIPTIONS OF HONORS

Many students receiving associate degrees will do so with the added designation of Distinction or High Distinction.

Students wearing gold cords are graduating with High Distinction and earned a cumulative GPA of 3.75 or higher (on a 4.0 scale). Students wearing silver cords are graduating with Distinction and earned a cumulative GPA of 3.5 to 3.74. A minimum accumulation of 60 semester credits is required to establish honors.

Veterans are wearing red, white and blue honor cords as recognition for their service to our country.

LCCC HONOR SOCIETY

Phi Theta Kappa, the international honor society of the two-year college, is an internationally acclaimed honor society serving institutions that offer associate degree programs. Phi Theta Kappa recognizes and encourages scholarship, leadership, fellowship and service among its members. Phi Theta Kappa was established more than 75 years ago, and the Alpha Omega Zeta chapter at Laramie County Community College was started in 1994.

Graduates enrolled in Phi Theta Kappa wear gold honor stoles during the ceremony. The blue on the stole signifies scholarship, and the gold signifies purity.

CONTINUING CONTRACT FACULTY DISTINCTION

Faculty who have earned Continuing Contract status are wearing Kelly green and white cords. Continuing Contract is awarded after the successful completion of a teaching portfolio exemplifying dedication to teaching and service to LCCC students.

DALE P. PARNELL FACULTY DISTINCTION

The American Association of Community Colleges (AACC) honors distinguished faculty from colleges nationwide. Faculty members who demonstrate a passion for the classroom, are willing to support students, and become active contributors to the college mission, as well as representatives in the surrounding community, receive this award. The silver medallions distinguish faculty in today's ceremony.

DAVIS FIRST GENERATION SCHOLARS

The Davis First Generation Experience is a program focused on forging strong first generation scholars. The goal of this program is to ensure students, who are the first in their family to attend college, can build lifelong relationships, build awareness and strengthen skills to help them succeed, and create a strong support network at LCCC. Davis First Generation Experience scholars are recognized by their blue and gold cords.

STALCUP GRADUATE EXCELLENCE AWARD

The award is presented to a graduate who has made a significant commitment of service to the College and to the community of Cheyenne, as well as excelling in his or her academic or career pursuits. This award is provided annually by Jan and W.M. Stalcup.

We are proud to present the Stalcup Graduate Excellence Award to Addy Tucker. She is wearing the award medallion in today's commencement ceremony.

RADIOGRAPHY/SONOGRAPHY HONOR SOCIETY

Lambda Nu is a national honor society for the radiologic and imaging sciences. The LCCC chapter has the honor of being Wyoming's first chapter of Lambda Nu and is therefore named the Wyoming Alpha Chapter of Lambda Nu. To be eligible for induction, a student must be enrolled in a radiologic or imaging sciences program as a full-time student for at least one term, have earned a 3.0 GPA (on a 4.0 scale) in the didactic professional curriculum, and have demonstrated professional commitment beyond the program's minimum requirements.

Radiography and sonography graduates inducted into Lambda Nu have earned the privilege to wear forest green and maroon cords and tassels or the gold honor stoles with the Lambda Nu insignia embroidered on them during the ceremony. Maroon represents the radiologic sciences, and green represents the health professions.

TEACHING EXCELLENCE AWARD

The 2026 Teaching Excellence Award recipients are carrying the gonfalons in today's processional. All Teaching Excellence Award recipients, past and present, are distinguished by the medallions they are wearing in today's ceremony.

Laramie County Community College is committed to providing a safe and nondiscriminatory educational and employment environment. The college does not discriminate on the basis of race, color, national origin, sex, disability, religion, age, veteran status, political affiliation, sexual orientation or other status protected by law. Sexual harassment, including sexual violence, is a form of sex discrimination prohibited by Title IX of the Education Amendments of 1972. The college does not discriminate on the basis of sex in its educational, extracurricular, athletic or other programs or in the context of employment.

The College has a designated person to monitor compliance and to answer any questions regarding the college's non-discrimination policies: Please contact: Title IX and ADA Coordinator, Suite 205, Clay Pathfinder Building, 1400 E College Drive, Cheyenne, WY 82007, 307.778.1144, NDS@lccc.wy.edu

The 2026 Commencement Ceremony is planned by the
LCCC Commencement Planning Committee.
