**Youth
Programs
@**

**LARAMIE COUNTY
COMMUNITY COLLEGE**

How to register

We welcome you to register online (lccc.wy.edu/summer) or by phone (307.778.1236) starting March 22. In person registration will begin March 23 by appointment only. Sorry, we cannot accept email or mailed registrations.

Registration Opens Wednesday, March 22, 7 a.m.

Online registration site: lccc.wy.edu/summer

Payment is due in full at registration

Office Hours: March 23 – May 12 (Weekdays) 8 a.m. – 5 p.m.
May 15 – June 30 (Weekdays) 8 a.m. – 4 p.m.

Manufacturing Kids' Day | \$15 | Saturday, April 22. 1

Registration and Drop Deadline: Tuesday, April 18 by 5 p.m.
(Dropped registrations will be assessed a \$2 processing fee)

Creation Station | \$125/5 days | Monday-Friday, June 12 – 16 1

Registration and Drop Deadline: Thursday, June 1

June SEEK Classes | \$125/class | Monday-Friday, June 19 – 23 3

Registration and Drop Deadline: Thursday, June 8

Fit Kids Camp | \$224/4 days | Monday-Thursday, June 26 – 29 8

Registration and Drop Deadline: Thursday, June 15

Robotics Camp | \$249/5 days | Monday-Friday, July 10 – 14 9

Registration and Drop Deadline: Thursday, June 29

Registrations are processed on a first-come/first-serve basis and are not finalized until payment is submitted and accepted.

Cancellations will be refunded minus processing fees (\$20 per SEEK class or camp, per student).

Refunds

Class cancelled by LCCC 100%

Withdrawal by participant
before drop deadline 100%
tuition minus processing fees.

Withdrawal by participant
after drop deadline No refund

Guidelines

- There are a minimum number of people who must be enrolled before a class can be held.
- The Life Enrichment Office will notify (to the best of their ability) all students if a course is canceled.
- Please be aware that LCCC does not filter web content and, though they are under supervision, minors will have access to an open internet.

Disclaimer

This schedule of classes, including tuition and fees, is not a contract, and the college does not assume liability for errors in scheduling or financial charges. Please call any discrepancies to the college's attention. Instructors for courses may change from those listed.

Laramie County Community College is committed to providing a safe and nondiscriminatory educational and employment environment. The college does not discriminate on the basis of race, color, national origin, sex, disability, religion, age, veteran status, political affiliation, sexual orientation or other status protected by law. Sexual harassment, including sexual violence, is a form of sex discrimination prohibited by Title IX of the Education Amendments of 1972. The college does not discriminate on the basis of sex in its educational, extracurricular, athletic or other programs or in the context of employment.

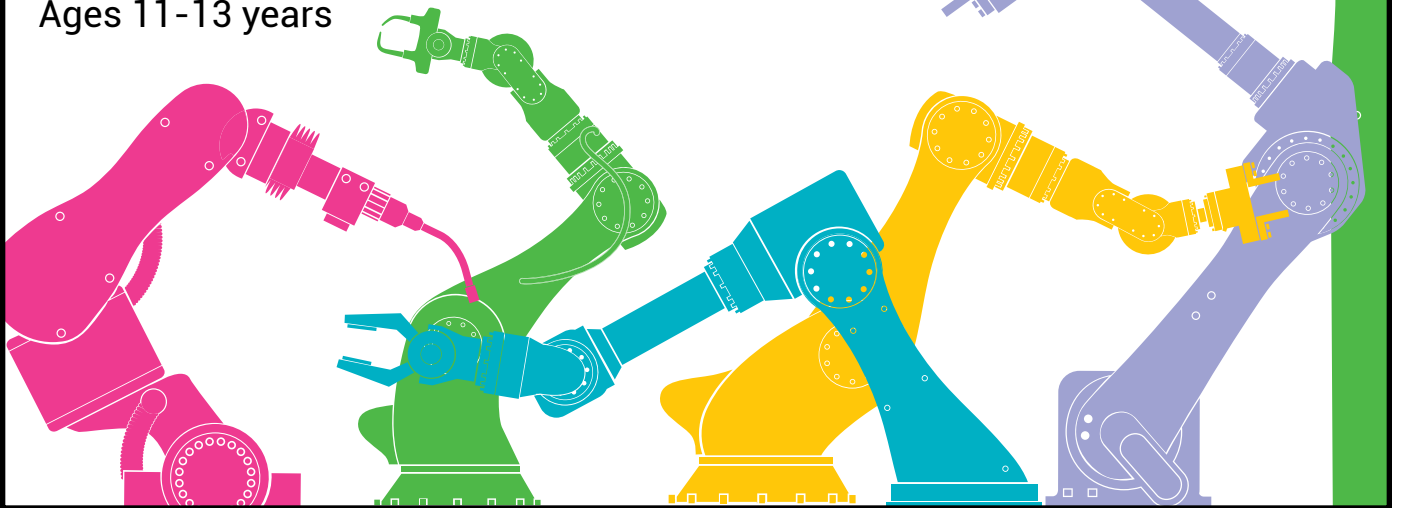

The College has a designated person to monitor compliance and to answer any questions regarding the college's nondiscrimination policies. Please contact: Title IX and ADA Coordinator, Suite 205, Clay Pathfinder Building, 1400 E. College Drive, Cheyenne, WY 82007, 307.778.1144, NDS@lccc.wy.edu.

CREATION STATION

Welcome to LCCC's Advanced Manufacturing and Material Center. In this career exploration camp, kids will get hands on with the next generation of manufacturing. We will explore the world of robotic arms, additive manufacturing and other cutting edge technology that create the things we use today. Kids will learn what goes into developing new ideas and 3D print their own invention.

June 12 – 16, 9 a.m. to 12 p.m. | Cost: \$125
Ages 8-10 years

June 12 – 16, 1 p.m. to 4 p.m. | Cost: \$125
Ages 11-13 years

Manufacturing Kids' Day

9-12 year olds join us for a fun morning of learning how some of your favorite things are made. Be one of the first to explore the new Advanced Manufacturing and Material Center (AMMC) and get a look at the next generation of how things are made. Using Tinkercad, we will get hands on creating our own designs and using additive manufacturing (3D printing) to bring those designs to life.

April 22, 9 a.m. to 12 p.m. | Cost: \$15
Ages 9-12 years

SEEK WEEK SCHEDULE

8:45-9 AM	All-Day/AM Student drop-off is directly at the classroom.
9 AM	SEEK day Begins
11:45 AM-12 PM	Morning 1/2 Day, Student Pick-Up from the classroom
12-12:45 PM	All-Day SEEK Student Lunch
12:45-1 PM	Afternoon 1/2 Day, Student drop-off is directly at the classroom
1 PM	Afternoon SEEK Classes Begin
4 PM	SEEK Days Ends. Parents pick-up and sign-out directly from the classroom no later than 4:10 pm. We appreciate your help with this.

Although Laramie County Community College has no COVID restrictions in place for Summer Youth Programs, the college will follow guidance from the Centers for Disease Control and the Wyoming Health Department.

FREQUENTLY ASKED QUESTIONS

What if there are changes to COVID precautions in the weeks leading up to Summer Youth Programs?

The Life Enrichment office will send an email regarding any changes for Summer Youth Programs. If you have questions we can be reached at 307.778.1236 or lifeEnrichment@lccc.wy.edu.

What if my student becomes ill or has an accident?

They will be brought to CCI 109, and a parent will be called.

Where and when do I need to pick-up my student(s)?

Drop-off and pick-up is directly to the student's classroom. Classroom buildings and room numbers can be found in this program guide, in the online registration system, in your receipt and the reminder email sent 2 days prior to the start of SEEK or Camp. Please only 1 adult family member at drop-off and pick-up.

Who can pick-up or drop-off my student(s)?

A responsible adult that the student knows well. Students must be signed in and out. Students are unable to meet their ride in the parking lot.

When does my waiver need to be turned in?

6 business days prior to the camp start date.

Can I make payments or register without payment?

No – payment MUST be made in full at the time of registration.

What if I need to change my student(s) schedule or have questions?

Please call 307.778.1236 or email us at lifeEnrichment@lccc.wy.edu.

Where do I find lost items?

Items that are labeled with a student's first and last name will be returned directly to the student during the week. Items found following SEEK week or that are not labeled with a first and last name will be brought to the Life Enrichment office in CCI 109. After 30 days they will be discarded.

Do you provide lunch for student(s)?

Students attending Camps or SEEK classes all day must come each day with a sack lunch. No microwaves or refrigerators will be available.

What if I want to be sure my student is in a specific class with a friend?

Due to Federal Privacy laws we are unable to discuss the schedule of other students.

What should my student(s) wear?

Students will be active all day long. We highly suggest that they be dressed in comfortable clothing and shoes that will allow them to fully participate in their class. NO FLIP FLOPS.

Can my student have a cell phone or other electronic device?

Students are welcome to have a cell phone to call home if needed. We do ask students to keep their phones put away during class and lunch time. Tablets or other electronic devices are not permitted.

Please be sure to read your welcome to SEEK parent email with a waiver link.

Please be sure to check your email junk folder.

Ages 6-7
1PM-4PM

A Play a Day

Do you like to play dress up and perform? Do you like to create new characters through movement and voice? Can you help your friends do the same? This class is for you. A Play a Day is just that. We will create our characters and perform a play each day.

SEEK 1771.600 09:00AM-12:00PM CCI 129
Ages: 6-7 Ashley Rousseau

Gardening and Insects

Come into the wonderful world of gardens and insects. We will explore different insects in our garden and how they survive. We will make fun crafts, collect bugs outside and read about the different plants and bugs we see everyday.

SEEK 1767.600 09:00AM-12:00PM CCI 123
Ages: 6-7 Shani Stapleton

Lego My Fairy Tale

Come one, come all! Join me on a STEM adventure with Legos! We will embark on a journey to protect the Three Little Pigs with a Lego fortress, and create a tower of safety for Rapunzel. We will engineer a zip-line for Little Red Riding Hood to get her to Grandma's house safely. Join me in the building blocks of revamped fairy tales.

SEEK 1695.600 09:00AM-12:00PM CCI 143
Ages: 6-7 Rochelle Proby

The Hero in You

Love superhero's? Possibly villains too? Come be your own superhero or villain. Though you need to bring your creative side in order to create that favorite character as well as creating yourself to be the superhero/villain you want to be.

SEEK 1769.600 09:00AM-12:00PM CCI 124
Ages: 6-7 Melanie Mullikin

Wacky and Wonderful Pets

Come join the fun creating original works of art inspired by our WACKY and WONDERFUL PETS! We will be celebrating just how animals became such an important part of our homes and families by reading stories, learning about pet loving artists, playing games and making art! Projects include clay Cats and Dogs, Paintings in the Style of Blue Dog, Paper Mache Pet Birds, Cardboard Fish Sculptures, Snakes and Lizards in Plaster and Metal. Making art that honors a pet is a perfect way to show how much you love and appreciate them! We will even make art FOR our pets!

SEEK 1763.600 09:00AM-12:00PM CCI 121
Ages: 6-7 Jill VanOverbeke

Journey to the Kingdom

Do you love all things animated? Through crafts, music and games we will create our own characters, explore our favorite movies and why we love them. Grab some popcorn and join in the movie fun.

SEEK 1770.601 01:00PM-04:00PM CCI 124
Ages: 6-7 Melanie Mullikin

Just Push Pause

Summer is a time to take it all in and give our brains a break. Through music, movement and games, we will do just that. It's time to just push pause.

SEEK 1772.601 01:00PM-04:00PM CCI 129
Ages: 6-7 Ashley Rousseau

Pet Clinic

Welcome to pet clinic. We will have fun taking care of our stuffed animals. We will work in a fun clinic taking care of pets, doing crafts, and reading about what it takes to be a good vet. Feel free to bring your favorite stuffed animal for some special care!

SEEK 1496.601 01:00PM-04:00PM CCI 123
Ages: 6-7 Shani Stapleton

Space Week

3,2,1 blast off for a fun week of space exploration as we explore all that space has to offer. We will build our own constellations, go on virtual field trips to explore planets and learn more about our solar system. Get your space suit and join us for a week of fun.

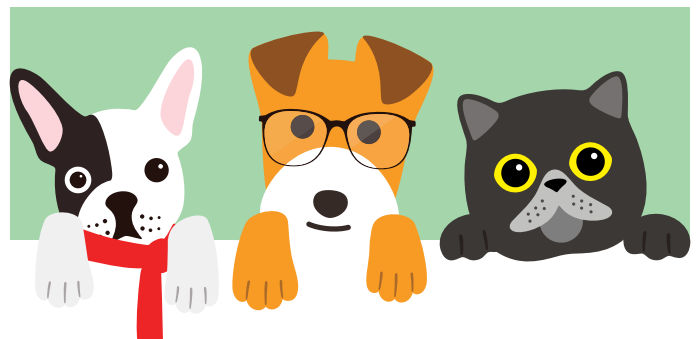

SEEK 1759.601 01:00PM-04:00PM HS 311
Ages: 6-7 Viviana Duarte

Summer Fun – No Batteries Required

Let's get outside and have some fun! We will jump and tumble, play games, tie dye, make mini play kits, and have fun in summer sun playing with water. Bring the fun and leave the batteries at home!

SEEK 1758.601 01:00PM-04:00PM TC 121
Ages: 6-7 Heather Tudor

*Space is limited -
register early!*

Announcing Summer – DJ Style

Do you love introducing cool music to your friends? Have you ever wanted to make a music video? This week let's mic up and let the music flow. We will karaoke, plan and film our own videos. Join the summer groove.

SEEK 1757.600 09:00AM-12:00PM TC 121
Ages: 8-9 Heather Tudor

Gone Fishing

Ever wanted to go fishing, but didn't know where to go or what to use? Learn what the laws are, places to go and what fish you can catch in South East Wyoming. Learn some tried and true ways of catching them. This class will get you started!

SEEK 1774.600 09:00AM-12:00PM TC 123
Ages: 8-9 Eric Paulson

Got Game

Have you ever wondered how soccer got it's name? Who thought four square would be so much fun? Come play some games with friends and learn some interesting facts about those games along the way.

SEEK 1773.600 09:00AM-12:00PM BT 112
Ages: 8-9 DeeAnna Waters

Intro to Theatre

Have you been bitten by the BUG? The THEATRE BUG? Then join us to learn all about theatre from audition success to STAR of the STAGE! Theatre helps you be more confident, be a good team member, and it's just a lot of fun! If you are new to theatre, or have been in plays before, this class will have something for everyone!

SEEK 1680.600 09:00AM-12:00PM FA 125
Ages: 8-9 Rory Mack

Not So "Bored" Games

"Board games are boring." Not anymore! Board games have come a long way in the last decade. Gone are the days of Monopoly, Sorry and Clue. Welcome to the age of Exploding Kittens, Camel Up and Forbidden Island. In this class you will learn about the exciting world of board games in today's world. You will play the board games that were given the title of "Spiel des Jahre" or "Game of the Year" in all of the world! You will also learn about the different mechanics, strategies, and etiquette at the game table. Don't be bored, come play a board game!

SEEK 1691.600 09:00AM-12:00PM BT 106
Ages: 8-9 Dustin Lee

Science Magic 101

Join Mr. Krysl as we explore the exciting world of science. Our week will be filled with numerous chemistry and physics experiments. We will do chemistry experiments learning about color changes, acid-base indicators, the science of bubbles and why nitrogen will freeze things. Learn the physics behind building rockets powered with different gases and compressed air. We will learn how to levitate objects, make a fire tornado, and many more science tricks and experiments. Lots of hands-on activities and take-home science mystery tricks.

SEEK 1623.600 09:00AM-12:00PM PF 311
Ages: 8-9 Loran Krysl

Super SMART!

Super SMART! We will dive into the world of science, math and art in this learning adventure. Students will design Foosball tables, pinball games, stress balls and so much more. With each design we will investigate the math and science concepts which go with the projects. Be ready to design amazing creations and make messes!

SEEK 1766.600 09:00AM-12:00PM BT 103
Ages: 8-9 Kirsten Rief

Engineering Excitement

Engineers solve problems and make our everyday lives easier. Bicycles, race cars, spaceships and roller coasters are all examples of modern products of engineering. This week we will use the engineering design process to tackle daily challenges big and small. You will work with your fellow campers to think outside the box. We will also explore different career options in the field of engineering.

SEEK 1768.601 01:00PM-04:00PM PF 307
Ages: 8-9 Amy Schick

Lego My Fairy Tale

Come one, come all! Join me on a STEM adventure with Legos! We will embark on a journey to protect the Three Little Pigs with a Lego fortress, and create a tower of safety for Rapunzel. We will engineer a zip-line for Little Red Riding Hood to get her to Grandma's house safely. Join me in the building blocks of revamped fairy tales.

Robotics CAMP

Robots aren't just for entertainment anymore. Some are used to assist in surgeries, others can deliver food, clean the grocery store floor independently, help fight forest fires, or even assist in dangerous military and rescue operations. During this week-long robotics camp, we will explore the components of a robot and use science, engineering, technology and creativity to build our own robots. Then you will have the opportunity to guide the VEX robots through fun challenges. In addition, we will get an exclusive tour of the new Advanced Manufacturing and Material Center (AMMC) on campus that shows how robots are used to build and create items we use every day. Whether you are an experienced roboticist or not, you are welcome! Be sure to pack a lunch each day!
